1 3. "Water data" means measurements of basic properties relating to the
2 planning and management of water resources, including streamflow,
3 precipitation, ground water, water quality and water use in agriculture,
4 industry and municipal uses and natural systems.

5 § 3. Water data conveners and agencies; duties; standards and best
6 practices; annual plan. 1. By January 1 in the year after this act shall
7 have become a law, and at least quarterly thereafter, the conveners
8 shall organize and hold a meeting with the agencies to plan and deter-
9 mine a framework to meet the requirements set forth in this section. The
10 conveners shall provide any expertise and support necessary to assist
11 the agencies in meeting the requirements of this section and the frame-
12 work established by the agencies.

13 2. By January 1 two years after this act shall have become a law, the
14 agencies and the conveners shall:

15 (a) identify key water data, information and tools needed to support
16 water management and planning, including but not limited to;

17 (i) state and local government data on streamflow, precipitation,
18 reservoir and irrigation system operations, ground water use and levels,
19 municipal and industrial water use and land uses, but not including data
20 from residential wells;

21 (ii) data on water rights, water diversions and water quality;

22 (iii) data on fish, aquatic and riparian systems and ecological data;

23 (iv) water quality data, including sampling results generated by
24 public water supplies in accordance with title 1 of article 11 of the
25 public health law;

26 (v) data from private wells collected by local or state agencies;

27 (vi) commercial uses of water licensed by state agencies;

28 (vii) water affordability data, including but not limited to water
29 rates, shut-offs conducted, and aggregate data on arrears; and

30 (viii) water infrastructure data.

31 (b) develop common water data standards for data collection and
32 dissemination, including practices to standardize and clean up data and
33 make it available to the public in commonly used data formats, which
34 shall, where appropriate, be arranged or identified by county and muni-
35 cipality or other appropriate geographic area, and that shall exclude
36 specific addresses, locations, and other personal information;

37 (c) make such data available to the public through the state's open
38 data program OpenNY, including working to identify and develop any crit-
39 ical data that can be made accessible via geographic information systems
40 (GIS) mapping and ensuring that all datasets have an application
41 programming interface (API) endpoint to allow researchers and developers
42 to access and deploy such data in ways that further public use of such
43 data;

44 (d) identify available and unavailable water data; and

45 (e) develop pathways to include data derived from citizen science
46 efforts.

47 3. Water research undertaken with state funding shall comply with the
48 common water data standards and best practices developed by the agen-
49 cies.

50 4. The agencies and the conveners shall update all data collected
51 pursuant to this act at least annually.

52 5. The agencies shall collaborate with other regional, national and
53 international efforts, including but not limited to the great lakes
54 commission and the international joint commission, to share, integrate
55 and manage water data.

1 6. By September 1 two years after this act shall have become a law,
2 and thereafter annually by September 1 of each year, the agencies shall
3 develop and submit a plan to the governor and the legislature that
4 details:

5 (a) an assessment of water data and information needs to support water
6 management and planning;

7 (b) goals, targets and actions to carry out the purposes of this act
8 in the upcoming fiscal year;

9 (c) budgetary resources to carry out the purposes of this act; and

10 (d) metrics for achieving the purposes of this act.

11 § 4. Funding. Funding for such act shall consist of all revenue
12 received pursuant to an appropriation thereto, and all other monies
13 appropriated, credited or transferred from any other source pursuant to
14 law. Nothing in this section shall be deemed to prevent the state from
15 receiving grants, gifts or bequests for the purpose of such act. Grants
16 shall only be awarded based upon the availability of funds.

17 § 5. This act shall take effect on the one hundred eightieth day after
18 it shall have become a law.
